All Phase Building and Garages

Roger:

I was recently informed that another company which uses the "All Phase" name has caused confusion with your business. I want to correct this problem.

BBB's experience with your firm, All Phase Building and Garages, has been excellent. Your company has received no customer complaints in the past three year BBB reporting period. Our records show that All Phase Building and Garages has been in business for 18 years and has an A+ BBB Business profile report.

The other company, "All Phase Home Remodeling (of Toledo)," has just been identified to BBB in 2020 and has a D+ rating due to its failure to resolve a serious customer complaint. It appears to have no relationship to your company.

Clearly, these two companies should not be confused in any way. I hope this clears up any misunderstandings.

Respectfully,

Richard T. Eppstein
